

PRESS RELEASE

RIARA UNIVERSITY AND PATHWAYS INTERNATIONAL LTD IN DIGITAL TRANSFORMATION DEAL.

WEDNESDAY 3RD MARCH 2021

TO THE PUBLIC

On 23rd February 2021, Pathways International Ltd and Riara University signed a memorandum of understanding. The MOU was signed by the Vice Chancellor Riara University Prof. Robert Gateru and Mr. Gideon Aswani the Managing Partner of Pathways International. This partnership will see the parties collaborate in offering Executive Training in Business Intelligence and Data Analytics, and promote mutual understanding.

Pathways International Ltd is a Business-focused tech, software development and data analytics company. The company sells data analytics, develops mobile and web apps, implements multi-systems integrations and consults in data privacy and protection. It also offers software solutions that enable automation of operations, as well as support analytic initiatives.

This deal is part of Riara University's mission **Empowering Lives Impacting Communities** where the institution is keen on training professional graduates, with full knowledge of opportunities in the global market. The parties aim to form a formidable partnership in digital transformation in Institutions of higher learning.

The Managing Partner, Pathways International, Mr. Gideon Aswani and the Vice Chancellor Riara University, Prof. Robert Gateru assured their full support in execution of the partnership.
